Suite 311
Henderson, Kentucky 42420-3145

Dear Ms. Richardson:

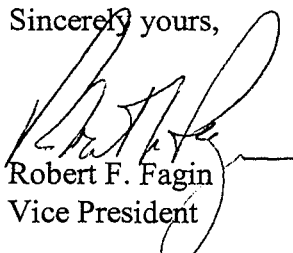

We are pleased to submit the Registration Agreement indicating our desire to become a member of the Audubon Signature Program. Our registration fee of \$9,500.00 is enclosed.

It is our desire to develop a Golf Management and Learning Center (GMLC) at the University of North Florida which will serve as a model for our community and as an example of sound environmental planning. Through our incoming GMLC Coordinator, John H. Brooks, we have learned of the many outstanding organizations that work with and benefit from involvement with your program. We understand that the prestigious Signature Status may be awarded in different categories, and we are continuing to gather information to determine which category would be appropriate for our project.

Mr. Brooks looks forward to working directly with you as we move forward in planning and construction. Please feel free to contact him (904-620-4653) to discuss scheduling or other needs.

We remain anxious to work with you on this very worthwhile project, and hope you will let us know if you require any additional information or assist.

Sincerely yours,

Robert F. Fagin
Vice President
