ARCHBISHOP EMERITUS DESMOND M TUTU

O.M.S.G C.H D.D F.K.C

President John Delaney:

It is a great joy to present to you in absentia, my papers as a gift to the University of North Florida. This endowment is in your honor. The papers will become part of the Carpenter Library's permanent collection.

I would have loved to do this in person, but unfortunately, I am decrepit. While in Florida it was an honor and a privilege to work with you, someone so passionate, calm, and professional.

While I've had the opportunity to work with you only briefly, it's clear that your leadership, love, dedication, and hard-work in UNF and education, have made a huge positive impact on the University and our world. You're also a wonderful friend and I appreciate your friendship and caring more than I can say.

God bless you.
