STATE AWARD PRESENTATION

Nancy Hill, clerk-typist in academic affairs, will receive a certificate of commendation Friday (Nov. 12) at 2:30 in the President's office for her suggestion entered in the State Awards Program. Instead of throwing away incorrectly addressed envelopes, Nancy suggested that gummed labels be typed and applied over the incorrect address. Envelopes are more expensive than labels, so hers was a money saving suggestion.

Previous winners of the award are Nancy Walker, who, with Ruth David, who's no longer with us, suggested using one large envelope to send all mail going to one destination. Wanda Wade won \$10 last year by finding it thriftier to dial direct on out-of-state long distance calls than to go through an operator. Great minds at work!

MESSENGER SERVICE WELCOMED

Pick-ups and deliveries will be one less headache now that physical facilities is providing a messenger service for all departments. At 10:30 and 2:30 each day, the messenger will make downtown deliveries and pick-ups scheduled through Mrs. Nancy Howell. Make instructions clear and precise as to what, where, when and for whom service is required. Airport passenger service will also be available. The bus is reserved full time for this service.

A LITTLE LESS PAPERWORK

Write no more requisitions for small office supplies! Department personnel may now place orders for supplies in stock with Mr. Bazzell or Michael Powell. An itemized listing will be kept of supplies distributed to each department, and a report will be made to finance and accounting at the end of each month. Items in short supply will be ordered on Fridays with delivery expected by Tuesday or Wednesday of the following week.

DEAN BAGGETT TO BE INSTALLED

Dr. William Baggett, dean of students, will be installed into the office of president of the Southern College Personnel Association at its conference in St. Petersburg, Nov. 10-12. As president, Dr. Baggett will administer the annual meeting in Houston next year. He was previously chairman of the Job Opportunities Committee of SCPA. SCPA is an organization designed for professional staff members in colleges who are in student personnel areas, such as deans of students, student activities directors, and student council directors.

UNF MARINER ARRIVES

The bright new face of University News Facts, complete with new name, was planned in coordination with the graphic identification program used throughout our publications. The name Mariner was adopted to represent our maritime location. We think it's much more attractive and hope you do too!
