but space is limited.

Contact logistics@unf.edu for
information and to R.S.V.P.

The Anheuser-Busch Beermaster Tour is a unique opportunity to go behind-the-scenes and learn about the brewing, bottling and distribution of Budweiser beer products.

A staff of 600 employees process 3-5 million bottles every 4 hours and 5-8 million cans every 24 hours.

More than 200 tractor trailers leave the one million square foot plant every day to deliver Budweiser to thirsty people all over the southeast.
