## PRESIDENT'S PAGE

As we begin another season of Garden Club activities, let us accept the theme, "Gardening for Tomorrow".

We can create beauty for today, as well as tomorrow, by beautifying the roadside entrance to our home. A few flowering trees and shrubs can paint a picture of welcome and charm that will last for years.

In this year of gardening, may we look forward to an enjoyable fellowship as we work together in making Mandarin beautiful.

## MANDARIN

There's a little village tucked away  
Where happy memories chance to stray  
Nestled under skies of bluest blue  
Like some vision that comes to you  
Of a magic garden — untouched it seems  
A tranquil peace its beauty means  
By silent waters that ever flow  
Little "white caps" in the sunlight glow —  
Seagulls in their southward flight —  
Wings like sails in the early light  
Pause for homage gracefully  
As they fly out to sea.  
The moss-covered oaks centuries old  
Stately pines and sheltering palms unfold  
Honeysuckle clings to fences small  
And yellow jasmine to tree tops tall.  
Orange blossoms with fragrance rare

Waft their perfume through the air.  
Golden butterflies in the sunlight play  
Birds sing sweetly — it's always May;  
You hear the whippoorwill to his mate call  
At the close of day when shadows fall.  
The setting sun when the day is old  
Its radiant colors slowly unfold.  
Over St. Johns with its waters blue  
Comes a rainbow tide, then a crimson hue.  
In the distance the city, its twinkling light  
Across the river at the fall of night.  
The starlit heavens seem so near  
Like silver stardust millions appear.  
Mandarin at sunset on old St. Johns  
Holds me close with tender bonds  
For God's beauty is everywhere —  
A setting of gold — a setting rare.

—ETHEL STOCKTON WRIGHT
