PRESIDENT'S PAGE

Your Club has an active program outlined for the year we are just entering: Hibiscus Show, Horticulture Workshop, Citrus Festival, Flower Show, and other projects.

We know that every member is willing and ready to participate in all of these activities, because to work together for the continued growth of our community enhances our friendships, and brings us all closer to the attainment of our goal, which is the better way of life for our children, our families and our community; therefore, through a united effort we know our Federation will continue to grow in the future as in the past.

MANDARIN

There's a little village tucked away
Where happy memories chance to stray
Nestled under skies of bluest blue
Like some vision that comes to you
Of a magic garden — untouched it seems
a Tranquil peace its beauty means
By silent waters that ever flow
Little "white caps" in the sunlight glow —
Seagulls in their southward flight —
Wings like sails in the early light
Pause for homage gracefully
As they fly out to sea.
The moss-covered oaks centuries old
Stately pines and sheltering palms unfold
Honeysuckle clings to fences small
And yellow jasmine to tree tops tall.
Orange blossoms with fragrance rare

Waft their perfume through the air.
Golden butterflies in the sunlight play
Birds sing sweetly — it's always May:
You hear the whippoorwill to his mate call
At the close of day when shadows fall.
The setting sun when the day is old
Its radiant colors slowly unfold,
Over St. Johns with its waters blue
Comes a rainbow tide, then a crimson hue.
In the distance the city, its twinkling light
Across the river at the fall of night.
The starlit heavens seem so near
Like silver stardust millions appear.
Mandarin at sunset on old St. Johns
Holds me close with tender bonds
For God's beauty is everywhere —
A setting of gold — a setting rare.
