PASSENGER DEPARTMENT.

Jacksonville, Dec. 10, 1903.

Mr. Courtland Buckman,

Real Estate Dealer, City.

Dear Sir:

I note that the insurance on the property of Henry Howard and Amelia Howard ~~is~~ consisting of two small buildings on lots 17 and 18 in Smith's Allogment, a division of Jacksonville, Fla., on which I hold a mortgage of \$300.00, expired on April 12th, 1903. This loan was negotiated by you, and I will appreciate it very much if you will see that the same is re-insured and the policy made payable to me, as my interest appears, and the same sent to me at the earliest convenience. The expired policy was in the German-American Insurance Co. of New York, No. 2542 for \$1000.00.

Hoping you will give this matter prompt attention and thanking you in advance for the same, I am,

Yours truly,

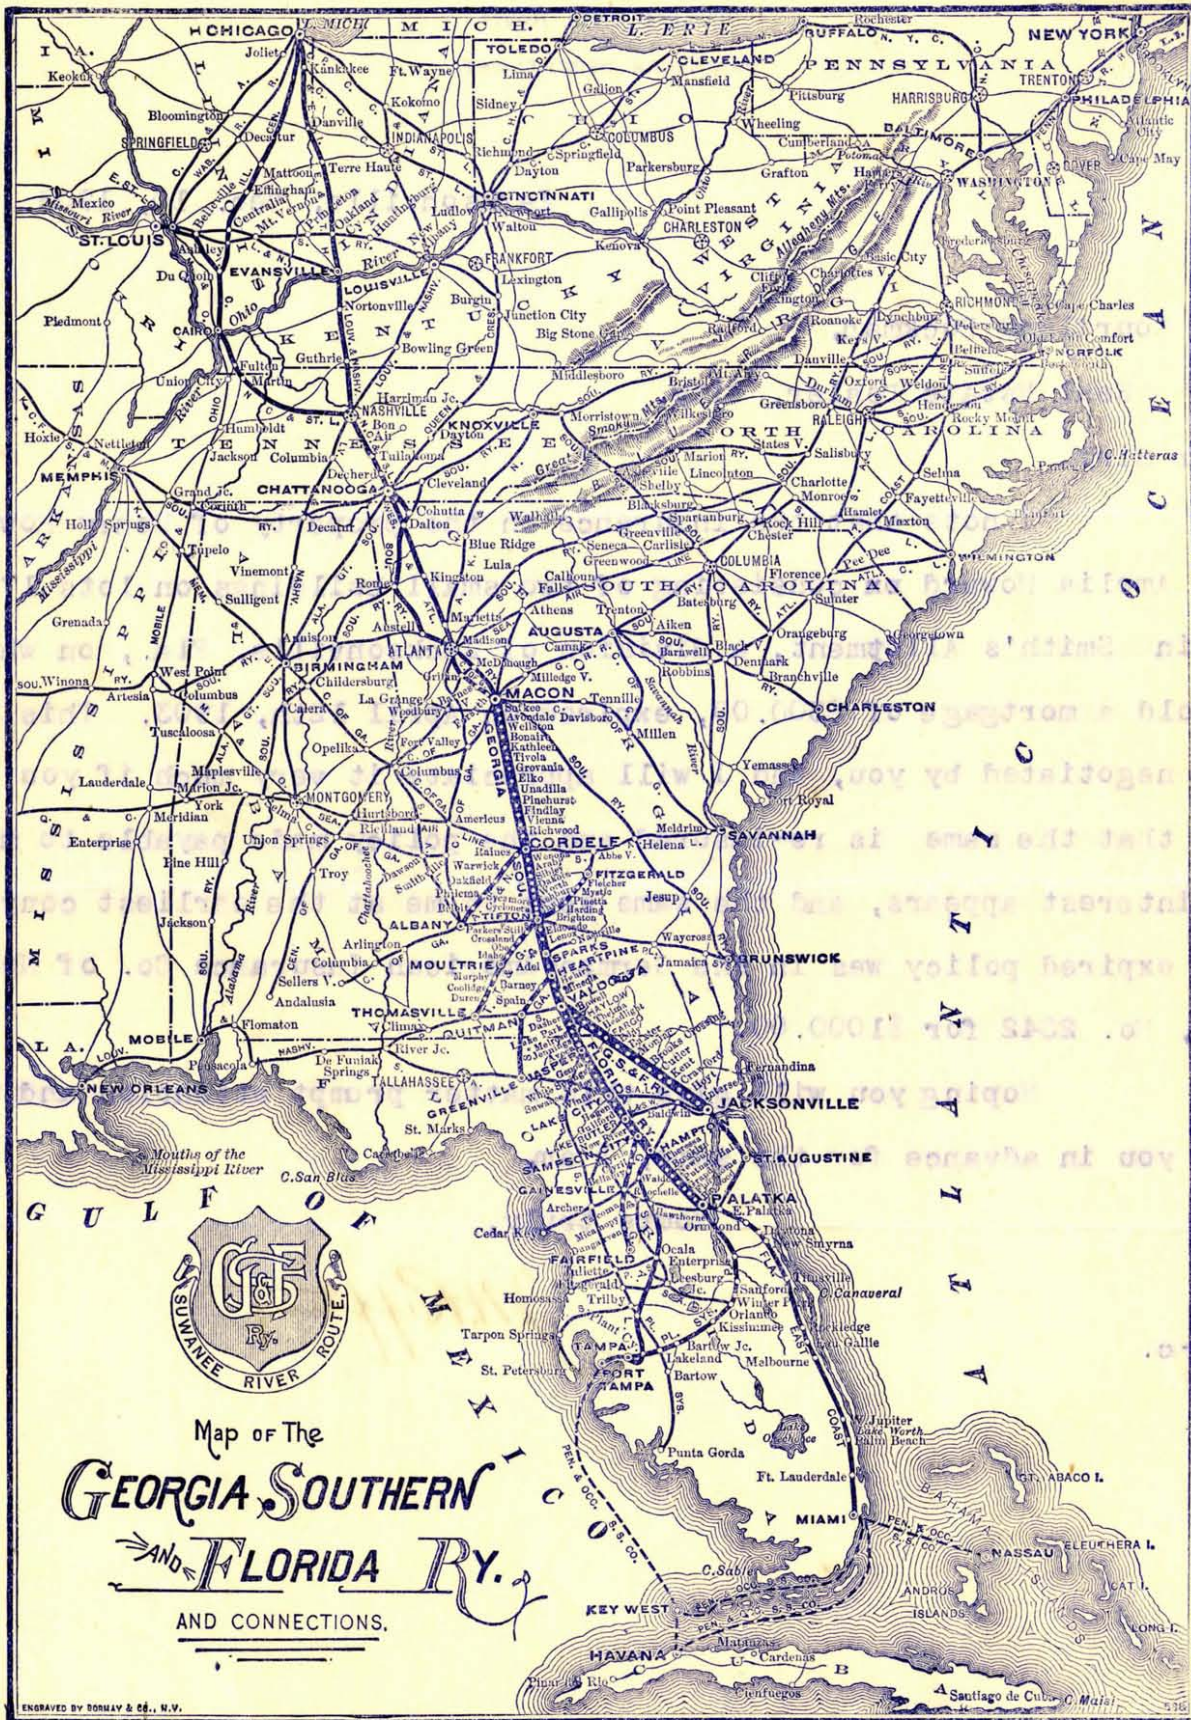

jhr-c.
