

UNF TRANSPORTATION & LOGISTICS FLAGSHIP PROGRAM

# FACILITY TOUR

## BMW OF NORTH AMERICA REGIONAL DISTRIBUTION CENTER

With 214,000 sq. ft. of space, the BMW Distribution Center in Jacksonville is one of only 6 in the nation. The facility serves 94 BMW and MINI franchises and 80 models. A truly global company with a highly sophisticated supply chain, BMW North America receives 77% of all parts directly from Dingolfing, Germany.

Transportation and lunch are provided but space is limited. For more information contact [lynn.brown@unf.edu](mailto:lynn.brown@unf.edu) or (904) 620.1961
