

**BMW OF NORTH AMERICA
REGIONAL DISTRIBUTION CENTER**

With 214,000 sq. ft. of space, the BMW Distribution Center in Jacksonville is one of only 6 in the nation. The facility serves 76 certified BMW dealers in the southeast with more than 50,000 SKUs to repair and accessorize 63 BMW models.

A truly global company with a highly sophisticated supply chain, BMW North America receives 77% of all parts directly from Dingolfing, Germany.
