

Peter Michelson,

Poet

author of *The Eater*, *The Aesthetics of Pornography*, and *Pacific Plain-song*, now of the University of Colorado, will read from his works at 8:20 p.m. Thursday, April 9, in Building 11, room 1327 (the split level room.)

Passerby! You will like this one. His poems are spicy. They are thoughtful. They are easy to understand, yet far from trivial.

We know about your Thursday nights. They are stupefyingly dull. Aren't they? Don't you want to do something about it? Why not come to hear this droll man? He won't read for very long. It's free.

Funded by your Student Government Association and sponsored by your Student Activities Committee.
