

YOUR GIFT CAN HELP TRANSFORM THE UNF CAMPUS

When UNF students have a need to come together seeking solace from world events or to derive strength from one another they frequently gather at a specific location on campus.

A small courtyard between two buildings in the core of campus has become a focal point for such gatherings since the installation of an elegant sculpture depicting a great man of small stature – Mahatma Gandhi. His non-violent message which has given hope and strength to millions around the world has transformed a small part of our campus.

Now the University of North Florida is seeking funds to add a second legend to this special area. A replica of Martin Luther King Jr. will stand at the opposite end of the courtyard adding to the power of the area to inspire and console.

**“A GENUINE LEADER
IS NOT A SEARCHER FOR CONSENSUS
BUT A MOLDER OF CONSENSUS.”**

Martin Luther King Jr.

Your gift will enable us to add the King statue to the Gandhi statue and enhance the courtyard. Two of the world's foremost advocates of nonviolent change and individual leadership will grace the center of a campus at a university dedicated to transforming the lives of its students.

The Martin Luther King Jr. sculpture will be created by the same artist who created the incredible life-like image of Gandhi.

“THE ULTIMATE MEASURE OF A MAN IS NOT WHERE HE STANDS IN MOMENTS OF COMFORT AND CONVENIENCE, BUT WHERE HE STANDS AT TIMES OF CHALLENGE AND CONTROVERSY.”

Martin Luther King Jr.

Jasu Shilpi is a renowned bronze sculpture artist who has created pieces around the world. The newest addition to the courtyard will enhance the welcoming atmosphere where students can discuss some of the same issues championed by these two great leaders. A donor gift card is attached to this brochure to assist in your donation.

Contributions may qualify for matching funds from the State of Florida. For more information contact Kathleen Leone, director of development, 904-620-2600 or visit www.unf.edu/ia/foundation/ and click on Giving to UNF.

"The addition of a statue depicting Martin Luther King Jr. will create an atmosphere for this courtyard that will be conducive to individual contemplation and group discussions. It will be a welcome addition to our campus."
