② Be short - hearted &
③ We are free - thank to all of you who supported us. I am those who are staying with us to make reality of the freedom and shared interest. Thank you, thank you thank you

③ Sheila is proof positive that you can overcome any handicap - hurdle - become a successful success. She has certainly made it despite having had me as her teacher at Umiid + her chaplain. She worked for the SAEC when I was GenSec & has had a wonderful experience & wonderfully cheerful demeanor at a daring side writing her book - "Wanted to carry"

Talk in her stride beyond to a legendary family with a formidable legacy after 18 months as our SA & everyone was concerned when she was elected Archbishop. She succeeded & much admired & distinguished predecessor in South Africa. But we need not have worried. She has performed with magnificent spirit & stimulating experience, left her mark so that all will be measured by her achievements. ^{as she moves into the Deputy Ex Dir of the World Food Program Rome} No one deserves more the plaudits of this evening's honor & distinction.
