# UNF Transportation & Logistics Career Day

## Sponsored by Corporate Traffic

### What recruiters need to know!

The T&L Fall Career Day will provide 6 one-on-one interview sessions in the morning followed by the T&L Employer Expo, which will be similar to a traditional Career Fair. This format will give recruiters a chance to meet more candidates. Companies that attend the morning session are expected to participate in the Expo, while some companies will attend the Expo only.

**How the interview schedule is determined:** Recruiters will be sent a link to resumes for review. Recruiters will also receive a spreadsheet to rank candidates based on resume information. Students will rank companies based on position descriptions and research on the company.

Rankings of recruiters and students are entered into a mathematical model that computes an interview schedule based on these preferences. For example, if a recruiter picks a student as their #1 choice and the student picks the company as their #1 choice they are guaranteed to have an interview. Recruiters that attend the Expo only will not rank candidates.

**Interview schedules will be sent to recruiters and students 2-3 days prior to the event.**

Students are urged research the companies they are interested in and prepare for an interview, however it is not unusual that last minute changes will give recruiters a chance to sit down with students that were not on the original list. Recruiters will also meet students at the T&L Expo.

**Interviews are held in 20-minute time blocks with a 10-minute break between sessions.** Lunch is sponsored by Yusen Logistics and will be available at 11:50 a.m. Feel free to eat with your colleagues and students or use the time as a working lunch. Recruiters will return to the ballroom after lunch for the T&L Employer Expo sponsored by TOTE. C.H. Robinson is hosting a networking reception from 2- 3:00 p.m. and we encourage you to stop by after the Expo to network with students, alumni and colleagues in a casual setting. Students are required to attend.

**The T&L Spring Career Day will be held in the Adam Herbert University Center Banquet Hall  
12000 Alumni Drive, Jacksonville, FL 32224 – Parking is free and no pass is needed.**
