VOLUME 2 NUMBER 2

GOLDIE HAWN IN JULY 11 **THE SUGARLAND EXPRESS**

Based on an actual event in Texas in 1969, **THE SUGARLAND EXPRESS** is the live-action story of a young mother (Goldie Hawn) who helps her husband (William Atherton) escape from prison so they may rescue their baby from involuntary adoption. The cross country pursuit of the fugitive couple and their hijack of a Texas State Police car make for a laugh a minute. Hundreds of law officers are after them while the country cheers them on. Goldie Hawn plays her first highly dramatic role expertly. "Hilarious madcap caper chase comedy," **DAILY VARIETY**.

THE LAST DETAIL JULY 25

The tremendous box office hit and Academy Award nominee. **THE LAST DETAIL** is a wildly raucous and poetically complex portrait of an arrogant but sensitive sailor played by Jack Nicholson. "An outstanding American film which has all the earmarks of a future classic," **AFTER DARK**.
