DIVISION ON WOMEN AND CRIME
COMMITTEES AND TASK FORCES
1992-1993

I am following Carole Garrison's lead and listing the names of all who have volunteered for tasks and/or who have signed up to participate in one or more committee or task force. Where appropriate, I have listed the tasks that have already been identified. In most cases, I would ask the committee/task force chair to contact the other members of your group to work together on establishing priorities. If I have mistakenly omitted or added your name, please forgive; let me know if you would like your name moved, added, or deleted.
