FACULTY ADVISORS NEEDED

Dr. William Wharton, assistant dean of faculties, is looking for faculty members to help staff an information table at the North Campus of Florida Junior College next week. Dr. Wharton and Miss Betty Crippen, university registrar, will alternate in manning the table from 1:30 p.m. to 7:00 p.m., every day next week during FJC registration. They will be informing the students about the University of North Florida and orienting themselves to the concerns of the junior college student. Those faculty wishing to donate an afternoon or evening are to see Dr. Wharton.

UNF V.I.P.

Hilton Meadows, director of physical facilities was recently honored by a state-wide selection committee by being listed in the first edition of "Outstanding Floridians." The entry recognizes Mr. Meadows' many contributions in architectural landscaping, consulting, and civic and religious concerns.

Unknown to Mr. Meadows, someone (and they're not telling who) from the Pensacola area submitted his name for consideration. His activities spanned 8 years of involvement with community and business projects in that area. Over 10,000 submissions were evaluated and approximately 300 were selected for listing.

Congratulations are in order!

STATE AWARDS CHAIRMAN NAMED

Doris Wilson, secretary in the college of business administration, was named chairman of the State Awards Committee for the next six months. She has been a member of the committee for the past six months. Serving with Mrs. Wilson will be Cindy Markwell, library assistant, and Nancy Walker, staff assistant in the department of planning and evaluation. Others from A&P and the faculty will be asked to serve. Past chairman, Mr. Ernest L. Wild will act as an advisor.

THE NEW AND RENEWED

Only one new staff member joined our ranks this week. MARY SIMMONS, secretary for Miss Betty Crippen, university registrar, came to us from Xerox Corp., where she was an equipment order entry clerk. She has attended Edwards Waters College, Washington Technical Institute and the University of Maryland, studying business and office management.

LINDA LANE, secretary for Dr. Laurence B. Green and Dr. Edward A. Healy, has been with us for three weeks now. She started by filling in for a week for Louise Crowell, secretary for the college of arts and sciences and is now full-time. She is a freshman at Florida Junior College, hoping to go into psychology.

CORRECTION

An error was made in the last edition of the University News Facts concerning the ordering of books and records through the library. Miss Florence Prothman is taking orders for the records, not the books as previously printed. A volunteer to handle the book orders is still needed.
