KARL HAAS

Karl Haas, in his daily radio broadcast of Adventures in Good Music, is heard by millions of music lovers throughout the world. In the United States alone, his network comprises more than two hundred cities from Alaska to Florida. His widely acclaimed hour-long broadcast has enjoyed an unparalleled uninterrupted run of thirty-seven years.

A renowned pianist-conductor and a student of the legendary Artur Schnabel, Karl Haas presents his Adventures in Good Music with great love and unabashed enthusiasm. His subject choice is as wide as the repertory of music history. From the historical to the biographical, from the analytical to the humorous, he has the world of music at his fingertips.

Karl Haas' many awards include the National Endowment for the Humanities' prestigious Charles Frankel Award, the National Telemedia Award and the coveted George Foster Peabody Award. He was recognized by the French government for his services in the cause of French culture and by the Federal Republic of Germany for his services in the cause of cultural relations between the United States and West Germany. He broadcasts from his studio in New York City and appears regularly as recitalist and conductor throughout the country, as well as on radio and television. Listeners in Jacksonville enjoy Adventures in Good Music on WJCT-FM 89.9 Stereo 90 at 1 p.m., Monday through Friday. The program is repeated Monday through Thursday at 10 p.m.
