FACULTY ADVISORS IN TRAINING

The first week of in-service training for twelve UNF academic and career advisors has been spent at Florida Junior College where they have discussed interviewing methods and skills.

Dr. Johnny Arnette, associate dean of students, led the group, with Dr. Travis Carter acting as consultant. Dr. Carter is associate professor of comprehensive logic and education at the University of Florida.

Next week's schedule includes discussions on sensitivity to behavior, and brief descriptions of the academic service and support units such as financial aid, cooperative education, and instructional communications. Future meetings will delve into the areas of drug education, referrals, and use of tests in the advisory and counseling processes.

WE'RE ONLY GUESTS AT THE CHAMBER

We are using the Chamber building under an agreement which gives us the privilege of occupying only specific areas of the building. These areas do not include the southwest quadrant of the main hall or the Chamber staff lounge. The main hall should not be used for conference space.

UNFers should not use the Chamber's northeast door or use the west wing hallways unnecessarily. Loud talking and loitering in the halls and Room 21 has disturbed the Chamber staff.

Common courtesy and consideration is all that is asked. While we are here only temporarily, this is the Chamber staff's permanent home. Let's not abuse their hospitality.

STAFF PARTY POSTPONED

Put your party mood in "idle" for another week--the all-staff party has been postponed until Saturday, July 15. Then you can put it into high gear for a great time with the UNF "family" at the Regency Lakes club house.

Rumor has it that every woman will receive a gift from Furchgott's at the door and more items have been added to the already long list of door prizes to be given away.

Don't miss this one! See your department secretary for tickets at \$1.50 per head and \$3 per couple. You may be the one to win the new Chevrolet for a weekend or dinner for two at Patti's.

See you there!

GABOR & COMPANY
PLANS VISITS

Gabor & Company, the UNF group insurance company, will make several visits to the "campus" specifically for the benefit of the new faculty members joining the staff in the coming months. Any staff member having questions may contact the representatives during their visits.

Representatives will be here on the following dates:

August 1-2
August 15-16
Sept. 1-4
Sept. 16-19
&
Oct. 1-3

BOOKSTORE CARRIES
CATALOGS

Marty Weitsen, bookstore manager, announces the availability of a large collection of catalogs of books and other merchandise, in the "mini-bookstore" in the UNF annex. The UNF faculty and staff may want to make use of these references.

CASHIER HOURS

Personal checks will be cashed by the finance and accounting office only between the hours of 9 a.m. and 4 p.m. from now on.
