COMMUNITY COLLEGE
PRESIDENTS TOUR
CAMPUS

President Carpenter this week conducted tours of our nearly complete permanent home for Dr. Benjamin Wygal, president of Florida Junior College, and for Dr. Herbert C. Phillips, president of Lake City Community College. Next week Dr. Carpenter will host Santa Fe Junior College President Alan Robertson.

MILESTONES

Applicants to the University now number 1,728 including 387 graduate students in education and business. The library has acquired a total of 85,019 books and is well on the way toward the goal of 100,000 by opening. Parking lot No. 3 is proceeding on schedule and will be completed by the first week in August providing 350 parking spaces for the staff by moving day. The Jacksonville Electric Authority pulled in its underground cable from the north property line of the campus to the UNF substation this week. Next week the city water department will install the UNF's water meter.

CONTINUING
EDUCATION SUBJECT
OF VISIT

A two member visitation team appointed by the National University Extension Association will be here Monday (July 24) to review UNF's continuing education programs and to consider the University's request for membership in NUEA. Dr. Hilton T. Bonniwell of Georgia Southern College is chairman and will be accompanied by Harold S. Jenkins of FAMU.

SCHEDULE DUE OUT
NEXT WEEK

The long awaited publication of the UNF's first schedule of classes is slated for Monday evening and Tuesday morning in the Jacksonville Journal and Florida Times-Union. President Carpenter said the schedule is being given such widespread publicity because of the high degree of community interest in the availability of night and weekend classes. Sixtyseven classes are scheduled for time blocks 12 through 17, the blocks after 6 p.m. and on Saturday.

SAME PROJECT
EXTENDED

Dr. Robert Mitchell, assistant dean for continuing education and director of Project SAME, announced that the project has been extended through the current fiscal year. SAME seeks to eliminate the maze of obstacles facing youngsters in applying for post-secondary education.
