Dr. G. Dekle Taylor
 Chairman, Ad Hoc Committee
 Duval Medical Center
 2000 Jefferson Street
 Jacksonville, Florida 32206

Dear Dr. Taylor:

In reply to your letter requesting the presence of myself and Mr. Main at a meeting of the Ad Hoc Committee at the Medical Center on April 30, 1968, we are very sorry that neither one of us will be able to attend. We are both interested, as is St. Luke's, in what happens to the Medical Center and, of course, the creation of the future medical complex.

As you probably know, the Boards of the three hospitals have agreed to sit down with two members of each Board and the administrator and discuss common problems, ways in which we may cooperate or share ideas in the future and how we can build a medical complex in this area. I would think that before we would sit down with your Ad Hoc Committee, it would be wise for the three hospitals to get together first with several exploratory meetings. As soon as this has been done, we would be most happy to sit down with you or members of the committee.

Very sincerely,

Robert A. Cunningham
 Executive Director
