NO. 27 VOLUME 2

OCTOBER 15, 1971

## SLOGANS TO BE JUDGED BY EXPERTS

A distinguished panel of judges has been selected to pick the winning entry in the UNF bumper strip contest. Mrs. Bea Quigg, vice president of the Gator Chapter of Florida Public Relations Association, nominee for president of the chapter, and regional consumer relations representative for Sperry and Hutchinson is chairman. Serving with Mrs. Quigg are John McLeod, executive secretary of FPRA and president of McLeod-Severance Public Relations and Herb Marks, manager of public relations and advertising at the Prudential Life Insurance Company.

The first prize---a dinner for two at the Alhambra Dinner Theatre--is a donation by the Alhambra.

Entries will be judged on the basis of the slogan alone, not the presentation or layout of the words on the bumper strip, so you needn't go to great lengths on the art work!

## UNF ON THE MOVE

Dr. Samuel Russell, chairman of the department of vocational and technical education, will head for St. Petersburg today for a two-day Florida Industrial Education Conference. Approximately 100 active members participate in this professional in-service meeting for teachers.

-----

The recruiting team of Ben Campbell, director of admissions and Dr. Bill Wharton, assistant dean of faculties, takes off again to round up more prospective students for the UNF. Tuesday, (Oct. 19) they will be visiting Indian River Community College in Fort Pierce. Wednesday will find them in Cocoa at Brevard Community College, Thursday, in Ocala at Central Florida Junior College, and Friday, in Palatka at St. Johns River Junior College. A busy week ahead for our recruiters!

Assistant director of the libraries, Lucille Jans, and librarian, Dorothy Williams, will travel to Tallahassee Monday (Oct. 18) for a one-day workshop on problems relating to the reception and classification of Florida State documents. It will be held at a state library.

-----

Washington, D.C. is the destination of Dr. Willard O. Ash, dean of the college of arts and sciences, and Dr. Gary Harmon, chairman of the department of languages and literature, next week, where they will attend a conference on American studies. The three-day conference will be conducted at the Washington Hilton, Oct. 21-23.

#### I'D LIKE THIS IN TRIPLICATE....

The purchasing department would like to remind the staff of the addition to the Xerox room and its use. The new 2400 Xerox machine is to be used for runs of over ten copies. It is slower, as many have noticed, but it is cheaper per copy so you're saving money in the long run (get it? ha, ha). The old 3600 Xerox should be used for short runs of 1 to 10 units and long runs for which the correlater is needed. Only the one auditron is necessary for either machine.

#### THREE NEW FACES

Finance and accounting gained a former University of Florida man, LEO J. MYERS, as assistant finance and accounting director this week. Mr. Myers had been with the UF for ten years. He attended the University of Oklahoma, where he earned both a bachelor of liberal studies and a master of arts in public administration.

MRS. LORRAINE FLO is the new secretary in the College of Arts and Sciences. Mrs. Flo attended Brevard Junior College and Edward Waters College. She was previously with the St. Regis Paper Company.

The man behind the offset press these days is HENRY F. BAZZELL, the purchasing department's new printing supervisor and stores manager. He will also accept all in-house requisitions directly, instead of through Marie Womack, purchasing agent. Mr. Bazzell was with the Department of Defense before joining the UNF staff.

#### NOTES FROM PHYSICAL FACILITIES

You've been informed, reminded and the signs are even bigger now. This will be the last reminder. The reserved parking areas in the side parking lot are for State vehicles ONLY. There are plenty of spaces in the rear of the building. Please use them.

-----

Cathy Church, our mail-girl, asks that each department have its mail ready with the appropriate postage slip attached for her to pick up by 4:00 p.m. No mail will be accepted without a postal slip or after 4:30 p.m., when the meter is closed.

### TALK ABOUT PLANNING AHEAD....

It's a good thing the President has a long-range calendar and B.J. Brown to keep track of his speaking engagements. One might forget a date made ten months in advance. Dr. Thomas G. Carpenter accepted an invitation from James R. Patrinely, president of the senior class of Terry Parker High School, to speak at the commencement exercises of the Class of 1972, on June 6, 1972. Nothing like planning ahead!

### INSURANCE PROBLEMS?

A Gabor insurance representative will be "on campus" Tuesday, October 19, to talk with anyone having questions or problems. Contact the personnel department if you wish to consult with him.

### ANOTHER GREAT MONDAY HOLIDAY

Veterans Day will be celebrated on Monday, October 25, closing all State agencies. Thusly, the University of North Florida, not wishing to rock the boat, will not be open for business.
