This Land is your Land

CHORUS

This land is your land, this land is my land
From California to the New York Island
From the Redwood forest to the Gulf Stream waters
This land was made for you and me

As I was walking that ribbon of highway
I saw above me that endless skyway
I saw below me that golden valley
This land is made for you and me

I roamed and rambled and followed my footsteps
O'er the sparkling sands of her diamond deserts
While all around me, a voice was saying
This land is made for you and me

CHORUS

Nobody living can ever stop me
As I go walking that freedom highway
Nobody living can make me turn back
This land was made for you and me

CHORUS
