Title: St Augustine Historical Society Research Library Digital Projects

Name: Bob Nawrocki – Chief Librarian
Chad Germany – Assistant Librarian

Abstract: The first part of the presentation will be an overview of the digital projects of the Research Library involving the use of a database to provide access to various collections in the library and reducing information silos. The collections include African American baptisms and marriages, St. Augustine census material 1850-1880 and Second Period Spanish assessor records. The second part of the presentation will demonstrate the use of Omeka software to provide access to collections of the Research Library.

Keywords: Databases, Omeka software, St Augustine Historical Society, African Americans, Second Period Spanish, Access.

Technical: Internet connection will bring our own laptop
