Dear Ms. Satterfield:

We are very pleased that the Senior Women's Club is interested in the Hubbard House Project, perhaps, interested in choosing the project as one of those you support.

The Hubbard House Project has three major concerns: rape victims, sexually abused children, and battered women--all victims that have insufficient resources for help or community support; all victims of crimes that communities understand very little. Our project is one that meets a great community need, both for victims and for social service organizations needing program support and information.

At this point, the Hubbard House Project is an all volunteer project. We have a house on Hubbard Street, which eventually will afford temporary shelter to battered women and their children. We operate a 24 hour hotline (coordinated with the Crises Center). The house is open for walk-in counseling on Thursday evenings.

While we are in process of seeking grant money for staff salaries so that we can provide 24 hour emergency shelter and establish our public education program, we look to organizations like the Senior Women's Club to help make Hubbard House a home for the women who seek refuge with us. We have special need of the following items: washer/dryer, vacuum cleaner, library, linens. If it is feasible for an organization to do so, we ask you to "adopt a room" in our house, furnishing it with drapes, rug, etc., and other items appropriate and cheery for our residents.

I look forward to learning your club's decision about supporting the Hubbard House Project. If you have additional questions or would like a speaker from the project, please phone us at 354-3114 or at the Crisis number, 384-2234.

Sincerely,

Vicki Wengrow, Co-Coordinator
