"WITH THE COLORS"

2/26/18

Dearest Valentine:-

A. O. K. This day and
instead of saying much am
going to enclosed one my my
rotten photograph. Some picture^{tho}
but I shall have a better one taken
when I hit some photo gallery.
This one was taken here in camp
by a photographer who has lately
established a one-horse gallery.

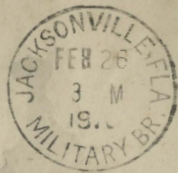

This picture is not to be
looked at only for the purpose of
knowing that I am mustauck-
less. After this it will take my
word won't you? But off the
bottom of the picture at the white
line and you will have a cripple.
Ha: just got out of the kitchen
when I had this taken.

Pardon this brief letter
but I have no news different from
before.

Your lover
Wes
