"WITH THE COLORS"

5/6/18

Dear Valentine :-

Am sending you a pennant with group picture. If picture therein is badly damaged just trim off one of the enclosed Post cards and put in in. This is about as good a picture as we could get considering all four. Do not take the words "On our way to France" too seriously! Tho' it may seem down heartening to our friends at home, it is different with us. We are just as anxious to see France as you desire not for us to go. As far as we have ever gotten is Jacksonville Florida and we may not ever see France and we may soon be impossible to say. I lent you the pillow top as a remembrance. Am sending

you a different setting
of the picture, which I
thought was rotten of most
all of us.

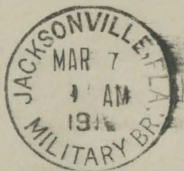

I have been to school
one day and some work.
Only gave us about 20
typed written pages to digest
and believe me every
one is digging every
minute in lab.

my letters may be
short for a while so don't
worry. were told that we
would have 6 weeks course

must close
Yours
Wes
