State Song

"FORWARD"

Words: Mrs. F. R. Keyser
Tune: "The Glory Song"

Florida's daughters arise to Call
Sounding so strongly to one to all;
Rise from all selfishness, fear, and dismay,
Face the great issue engrossing the day.

CHORUS

Forward we go, for in God is our trust,
Conquer we must, for our cause is just,
Daily and hourly doing our best,
Forward we go without haste, without rest

From hill and valley, from plain and from sea
Glad, we come striving for true liberty
Fighting 'gainst ignorance, prejudice, wrong,
Our hearts and hands are brave, true, and strong.

Faith, hope and love are the weapons we bring,
Loving and serving our race and our King,
Knowing our Lord in compassion shall say
"This, O my daughters, you've done unto Me."
Dear Club Women:

We have been admonished not to give ourselves up altogether, nor at all times, to the active life, but to set aside some portion of our hearts and of our time for consideration.

What is so essential to the service of God as the practice to which He exhorts in the Psalm, "Be still and know that I am God." This is the chief object of consideration.

We have been active all this club year, pause now, while we are in West Palm Beach, and let us relax and consider. We shall find it purifies the mind, governs and directs our actions, adores and regulates life. This is what we need — each one of us.

Let us pray and do our work; for God will take care of us.

Humbly yours,

"Lifting as we Climb,"

Myrtle McLeod Davis

In Memoriam

“That which is so universal as death must be a blessing.”

This page is dedicated to the fine club women of Florida who have passed on to their reward.

Death -- The Judgment -- Heaven

I would not live alway; I ask not to stay
Where storm after storm rises dark o'er the way;
The few livid mornings that dawn on us here,
Are enough for life's woes, full enough for its cheer.
I would not live alway;
No — Welcome the tomb;
Since Jesus hath lain there,
I dread not its gloom;
There, sweet be my rest, till He bid me arise
To hail Him in triumph descending the skies.

Who, who would live alway, away from his God—
Away from yon heaven, that blissful abode,
Where rivers of pleasure flow o'er the bright plains,
And the noontide of glory eternally reigns;

Where the saints of all ages in harmony meet
Their Saviour and brethren transported to greet;
While the anthems of rapture unceasingly roll
And the smile of the Lord is the feast of the soul.

Club Song — “Our Emblem”

Tune — “MOTHER MACHREE”

There's a spot in our hearts which no other can own
There's a depth in our souls never sounded or known
There's a place in our mem'ry, in our lives that you'll fill
No other can take it no, none ever will.

CHORUS

Sure, we love our dear emblem, that we bear so high
And all our dear girls who will ever stand by
To the blue, white and gold we will ever be true
Oh, we pledge our best to you, no less will do.

The Pledge

On my honor, I pledge:
To do unto others as I would have them do unto me;
To face life squarely;
To have a definite plan and purpose in life;
To strive to seek the highest ideals for my soul and live up to them;
To always be dependable;
To learn the secret of team work;
To have faith in God, faith in others, and faith in myself;
To cultivate thrift, honesty, truthfulness and reliance;
To realize that persistent good will break down barriers;
To be honest to myself and true to my country;
To be ready to “Lift As I Climb.”
