

Dear Madam:-

You are cordially invited to bring your babies,
under two years,

to the Woman's Club

18 East Duval Street,

To the

Baby Conference

to be held

March 6th to 11th, 1916,

between 9: A. M. and 5: P. M. daily.

This Conference will be conducted by

Dr. Frances Sage Bradley,

an expert on infant health and is intended to show

the physical condition of babies

brought for examination

and to indicate points at which their health and vigor

may be improved by the effort of

their parents.

All babies brought must be free from

communicable disease, rash, colds,

sore throat, inflamed eyes, etc. A record of

examination will be given to each mother

March 10 and morning of March 11

reserved for colored babies
