

# Jacksonville Beach *Welcomes You!*

This wonderful Beach with its recreational facilities is open to you for your pleasure.

---

## **BATHING, PICNICKING and DRIVING**

Can be enjoyed by all but only with your co-operation and an observance of the rights of others.

---

## **OUR SPEED LIMIT**

on the Beach is 15 MILES Per Hour. It is the only protection for the Thousands of CHILDREN and BATHERS upon the Beach.

---

Observe our Speed Limits—They are strictly enforced, careful driving may save the life of some little tot.

Observe our Sanitary Laws—Provide for the disposal of your picnic debris.

Take your Sun Baths out of the way of traffic.

Bathe carefully and in the protected areas.

Don't let the Incoming Tide catch your car—You may lose it, and the salt water won't do it any good, anyhow.

*Enjoy Yourselfs CAREFULLY  
and Come Back Again!*

# Jacksonville Beach

## Welcome You!

The wonderful beach and its wonderful facilities  
is open to you for your pleasure

### BATHING, PICNICING and DRIVING

Can be enjoyed by all but only with proper  
and with an observance of the rules of order

### OUR SPEED LIMIT

on the beach is 15 MILES PER HOUR. It is the only  
protection for the thousands of CHILDREN and  
BATHERS upon the beach

Observe our speed limits—They are strictly enforced  
and you may save the life of some child

Observe our Seagull laws—Provide for the disposal  
of your picnic debris

Take your Sun Bathers out of the way of traffic  
before you start your day in the sun

Don't let the incoming tide wash your car—Don't try  
to wash the salt water from your car if you don't  
wash

Enjoy Yourself COMPLETELY  
and Come Back Again
