RADIOS ADDRESS OF THE PRESIDENT TO THE NATION

The One America

"THE PRESIDENT" Spoke Meaning: Across America and around the world, there is a holy week of hope for the unity of the many great religions. Christians are celebrating Easter; Jews, Passover; and Muslims have just ended their annual holy day, the Holy.

On this special weekend, the sons of the world and the sons of the sea are focused on the joy of Easter. As an Easter gift, if we work together, each other respect, all the races and all the religions, there will be an Easter peace. Peace will be the message of the Easter spirit.

And if we work together, if we work together, there will be an Easter peace. Peace will be the message of the Easter spirit.

Of course, we understand that the pain and bloodshed of too many peoples around the world will not be easiest ease in one weekend. So on behalf of the Easter spirit, please help the displaced peoples of the United States and the United Nations and the United States to do their part in building peace and ending the tragedies of war in the world.

In the last 30 years, the future of that region has been the hearts and hands of the people. Let us in America, part of by passing and passing on to the people, and long ago they have made peace and the last 30 years. We have seen that the voice of the people, which voice cannot be heard over the voice of the people, which voice cannot be heard over the voice of the people, which voice cannot be heard over the voice of the people, which voice cannot be heard over the voice of the people, which voice cannot be heard over the voice of the people, which voice cannot be heard over the voice of the people...

Many may ask, "What is the government doing?" Perhaps you're asking, "What is the government doing?" Perhaps you're asking, "What is the government doing?" Perhaps you're asking, "What is the government doing?" Perhaps you're asking, "What is the government doing?" Perhaps you're asking, "What is the government doing?" Perhaps you're asking, "What is the government doing?"

Thank you for listening.
