Dear Mr Cappleman:

I wanted to write you a line and say that I have what may possibly be a prospect for your Federal reporter vols and you may write me personally about them at this hotel SEMINOLE HOTEL .

I will let you know more about it if anything definite occurs in respect to it I talked with a Lawyer yesterday however about your books and described the condition as well as I could and this letter has two purposes one of the purposes being to let you know that I was still interested in your books and the second purpose being to let you know that I expected to repeat my territory commencing almost directly and will be in your vicinity about the middle of Oct

I am enclosing you one of the circs for a new work that my Company has been publishing and it is reputed to be a very comprehensive work of the subject of the transfer of Stock

Yours very truly,

Allen D. Steele
