#### UNF VISION

The University of North Florida aspires to be a preeminent public institution of higher learning that will serve the North Florida region at a level of national quality. The institution of choice for a diverse and talented student body, UNF will provide distinctive programs in the arts and sciences and professional fields. UNF faculty will excel in teaching and scholarship, sharing with students their passion for discovery. Students, faculty, staff, alumni, and visitors will enjoy a campus noteworthy for its communal spirit, cultural richness, and environmental beauty.

#### UNF MISSION

The University of North Florida fosters the intellectual and cultural growth and civic awareness of its students, preparing them to make significant contributions to their communities in the region and beyond. At UNF, students and faculty engage together and individually in the discovery and application of knowledge. UNF faculty and staff maintain an unreserved commitment to student success within a diverse, supportive campus culture.

#### STATEMENT OF VALUES

The University of North Florida is committed to values that promote the welfare and positive transformation of individuals, communities and societies.

We value:

- the pursuit of truth and knowledge carried out in the spirit of intellectual and artistic freedom;
- ethical conduct;
- community engagement;
- diversity;
- responsibility to the natural environment; and
- mutual respect and civility.

## The University of North Florida

Since becoming the fifth permanent president of UNF in July 2003, John A. Delaney has been working with students, faculty, staff, the Board of Trustees and the community on a vision that leads the University on a “journey to greatness.” This journey is guided by four principles: a commitment to excellence, focus, relevance and accountability.

The University’s definition of excellence begins with a focus on quality instruction and learning opportunities for students. Excellence also includes identifying flagship programs that offer the greatest opportunity to provide leadership in the community and the nation. UNF’s commitment to relevance includes partnerships to help solve problems in the community and to help to increase opportunities for students and faculty. The University’s commitment to accountability is based upon the understanding that UNF has a responsibility to taxpayers, donors, and students.

Delaney’s presidency continues a distinguished career as a public servant. He was mayor of Jacksonville for two consecutive terms. Before being elected mayor, Delaney served as the city’s general counsel and chief of staff to former Jacksonville Mayor Ed Austin. Delaney began his career as a prosecutor in the State Attorney’s Office.

Delaney received his undergraduate and law degrees from the University of Florida.

## Fall 2011 Senior Service Award

Sophie Shows

Sophie Shows has been selected by the UNF Alumni Association as the recipient of the Senior Service Award for the fall 2011 graduating class. The UNF Alumni Association selects a graduating senior each semester for outstanding service to the University and the community through volunteerism.

Sophie, native to Gulf Breeze, FL is graduating today with a Bachelor of Business Administration degree in Finance and Financial Services, with a GPA of 3.78. Over the past four years, she has become well known on campus and in the Jacksonville community. Since arriving at UNF, Sophie has volunteered in many capacities. Her top accomplishments include serving as a mentor in the Big Brothers Big Sisters program, senator in Student Government, member of the Presidential Envoys Student Alumni Association, treasurer for the Women in Business Society, member of the Student Leadership Advisory Board and president of Kappa Delta Sorority.

Sophie's most rewarding experience has been serving as a big sister and mentor to a first grade student. At the start of her mentorship, her mentee was barely reading and had very little interest or motivation to study. With the help of her teachers, Sophie implemented a positive reinforcement game and provided extensive support, often many times every week. Still serving in the capacity as her mentor, Sophie's mentee has earned A/B honor roll for the past two years and remains very motivated to excel in her studies.

As a senator representing the Coggin College of Business, Sophie has remained dedicated to supporting her peers in Student Government. She has advised numerous clubs and their leadership to ensure the maximum benefits are obtained and has guided them through various processes. Sophie also served as a member of the constitution and statutes committee of the legislative branch. She and her colleagues drafted bills and resolutions, proposed legislation and educated the student body on the UNF Constitution.

During Sophie's first semester, she joined the Kappa Delta Sorority and almost immediately began assuming various leadership responsibilities. Through her tenure she filled numerous positions including two elected council positions: treasurer and president. Throughout her time in Kappa Delta, she devoted 100 hours of community service to Prevent Child Abuse America and the local Girl Scout council. Additionally, she dedicated lots of hours applying her finance knowledge and teaching her chapter members about credit scores, credit cards, interest rates, saving and more. She also reduced their accounts receivable by \$41,000 to a very manageable amount creating greater efficiencies.

Sophie shared the following with the Senior Service Award selection committee: "I am so thankful for all the opportunities I have been blessed with and for my loving and supportive family. I have come to find that being an Osprey means much more than just being a student at UNF. My volunteer experiences have been extremely rewarding and they have made me into the person I am today. UNF has given me the opportunity to grow tremendously."

In all, Sophie has had a definitive impact on her peers on and off campus in Northeast Florida. She is a remarkable example of a focused, well-rounded student leader with a heart for service and passion for people; a true representation of the University of North Florida.

## TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur, but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel

of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions. The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

Arts, Letters, Humanities .....	White
Business.....	Light Brown
Computer Science .....	Gold
Economics .....	Copper
Education .....	Light Blue
Engineering.....	Orange
Fine Arts.....	Deep Brown
Health.....	Sage
Law .....	Purple
Library Science.....	Lemon Yellow
Medicine.....	Kelly Green
Music .....	Pink
Nursing.....	Apricot
Philosophy.....	Dark Blue
Public Administration .....	Peacock Blue
Public Health .....	Salmon
Science.....	Golden Yellow
Theology.....	Scarlet

## THE UNIVERSITY OF NORTH FLORIDA

The University of North Florida (UNF), one of the 11 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor, masters, and doctorate levels. Established in 1965 as an upper division and professional graduate institution, the University began offering classes in 1972. Freshman and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1300 acres which includes a nature and wildlife area with lakes and nature trails.

The University of North Florida is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award to award baccalaureate, masters, and doctorate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of the University of North Florida. Individual contact to the Commission on Colleges about the University of North Florida accreditation status only if there is evidence that appears to support significant noncompliance with a requirement or standard. Some professional associations offer further accreditation of specific programs. UNF programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information systems, mechanical engineering, music, nurse anesthesia nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national accreditation.

As UNF grows, it is proud of maintaining a reputation for excellence which attracts a diverse group of highly qualified students. The Fall 2011 freshman class had a mean SAT score of 1208.8 and a grade **point** average of 3.84. The minimum scores typically expected for admission are a sliding scale equivalent of 1020 on the SAT (or the ACT equivalent) and a GPA of 2.93. Seventeen percent were in the top 10 percent of their graduating class. Minority students comprise 24.80% of the student body. International students make up nearly

1.98% of the mix: 324 students from 75 countries around the world. 56.29% of UNF students are women; the average student age is 24.55. Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of over 16,372 students enrolled in 54 undergraduate degree programs with 72 areas of concentration, 25 masters degree programs with 59 areas of concentration, and three doctoral degrees. It has 541 faculty and more than 1144 full-time and part-time staff. UNF now grants over 3,500 Bachelor, Masters, and Doctoral degrees each year through its College of Arts & Sciences, Coggin College of Business, College of Education and Human Services, Brooks College of Health, and College of Computing, Engineering, and Construction. UNF is dedicated to excellence in teaching, research, and public service. The University's faculty is committed to providing high-quality instruction, with particular emphasis on undergraduate education. The faculty's publications and other creative activity demonstrate a determination to remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University – through centers and institutes as well as traditional educational offerings and activities – is a major contributor to the community life of Northeast Florida and, indeed, to the larger community. Six programs have received flagship designation: Transportation & Logistics, International Business, Community Nursing, Coastal Biology, Music and Nutrition & Dietetics. Through the strong support of the University of North Florida Foundation Inc. and the generosity of both corporate leaders and dedicated citizens of Florida's first Coast region, UNF now has four Eminent Scholar Chairs: the Andrew A. Robinson Chair in Educational Policy and Economic Development, the Ira M. Koger Chair in American Music, the Prime F. Osborn Chair in Transportation, and the Paper Plastics Education Research Foundation Endowed Chair for Supply Chain Management. The UNF Foundation, funded by contributions, supports a wide range of UNF's activities on campus and in the community.

The degree candidates listed in this program include students who applied to graduate during the 2011 Fall Commencement. Because grades are not posted until several days after the ceremony, graduation of the students and designation of honors are not necessarily conclusive. Honor designations are only bestowed upon baccalaureate degree candidates.

Honors (4.0 Grade Point Average Scale)

1-Summa Cum Laude (with highest honors) 3.8-4.0	2-Magna Cum Laude (with high honors) 3.65-3.79	3-Cum Laude (with honors) 3.5-3.64

## Congratulations on your Commencement!

After years of hard work, countless late nights and anxious moments you've earned your degree from the University of North Florida. We're sure you are proud of your accomplishments and we're proud to welcome you as a new member of the Alumni Association, where the UNF experience never ends and membership is free for all graduates!

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then and we've worked hard to keep pace with your lifestyle and today's trends. Now you can "like" us on Facebook; build your alumni network through LinkedIn; and update your personal information through the Alumni Association website at [www.unf.edu/alumni](http://www.unf.edu/alumni). While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and most important communication tool for keeping you informed of upcoming events.

The Young Alumni Club, created for our newest graduates, hosts and promotes events such as UNF Third Thursday at Seven Bridges, where you can "swoop" in every third Thursday of the month for free appetizers and great networking. We also feature personal and professional development seminars, family fun days, and more. There is something for everyone so join us!

The Alumni Association endorses a wide variety of benefits and services through partnerships that save our members money while providing financial resources to help sponsor alumni programs. This includes discounts on home and auto insurance with Liberty Mutual, an Alumni Association Visa card with U.S. Bank, and The UNF Savings Connection which offers savings at more than 100 nationwide retailers. Memberships to UNF sport facilities like the Wellness Center and Aquatic Center are also available at a reduced rate to alumni and their families. You can check out all of these discount programs and more at [www.unf.edu/alumni](http://www.unf.edu/alumni) under the Benefits and Programs link.

Congratulations again, and we look forward to seeing you at future UNF alumni events!

**Stay connected ... and keep on swooping!**

At UNF, students are our first priority.

The University of North Florida recognizes that every student is an individual, with different goals, different learning styles and different needs. UNF is committed to offering each student an individualized educational experience made possible by an engaged faculty and dedicated staff. UNF's commitment to individualized attention includes opportunities to participate in lifechanging experiences such as internships, study abroad, off-campus programs and dynamic research projects.

### UNF ALMA MATER

Music adapted by Dr. William C. Moffit

Words by Dr. Merrill J. Palmer

VERSE:

We recall those days of gladness,  
Nestled midst the lakes and pine,  
Where we sought the gift of knowledge,  
Alma Mater, pride of mine.

REFRAIN:

Sing her glory and her praises,  
Let them ring from sea to sea!  
North Florida we proudly honor,  
U-N-F, all hail to thee.

VERSE:

Near the shores of the Atlantic,  
Where the Osprey soars on high,  
Stands our Alma Mater strong and true,  
With her colors gray and blue.

REPEAT REFRAIN
