Rev. Dr. Walker  
Jacksonville, Fla.

Dear Dr. Walker:

Inasmuch as the writer observed that the affairs of the Holmes Funeral Directors are not kept "as far as the office is concerned" in the most modern methods, I ask you to do me the favor and attend to the following: During my last visit a month ago the Bookkeeper upon the request of Mrs. Walker was supposed to make out a number of checks to cover items of Nov. 22, 1932 of \$58.60 and of Nov. 30, 1932 of \$131.95 totaling \$190.55 plus interest on same since January 1, 1933 \$19.00 making a total of \$209.55.

Will you please get the Bookkeeper to make out four checks for \$40.00 each and one check for \$49.55 and mail them to us, one dated April 16 and the others each 30 days later.

Since the Bookkeeper failed to do so we have written several times but did not get any reply, therefore, I ask you as an old friend and acquaintance to attend to this.

Yours truly
