12:30 p.m.
College of Arts and Sciences
Coggin College of Business

4 p.m.
College of Arts and Sciences
College of Computing, Engineering, and Construction

University of North Florida Arena
Jacksonville, Florida
MISSION STATEMENT

The University of North Florida's academically talented students receive individualized attention and opportunities to engage in transformational learning: e.g., community engagement, internships, international study, and research. Dedicated faculty and staff create a rich learning environment on a beautiful campus that provides an inspiring setting for our diverse community. Together, we enhance the economic and cultural development of our growing metropolitan region.

VISION STATEMENT

The University of North Florida will be an institution of choice, nationally recognized for high-caliber students, faculty, and staff. We will be known for engaging students with experiential learning grounded in critical thinking, effective communication, and analytical skills. We will expand our reach and relevance through innovative programs and research that drive the economy, build upon our extensive partnerships, and position our students for lifelong success. Students will develop the global perspectives and cultural understanding needed to address future challenges.

VALUES

The University of North Florida is committed to values that promote the welfare and positive transformation of individuals, communities, and societies.

WE VALUE:

- The pursuit of Truth and Knowledge Carried Out in the Spirit of Intellectual and Artistic Freedom
- Ethical Conduct
- Community Engagement
- Diversity
- Responsibility to the Natural Environment
- Mutual Respect and Civility

STATEMENT OF UNITY

UNF stands in unity and solidarity with all members of our community, regardless of genetic information, race, color, religion, age, sex, disability, gender identity and expression, sexual orientation, marital status, national origin, or veteran status. We are proud of the diversity in our students, faculty and staff.

We strongly condemn acts of hate and bigotry as antithetical to the university's core values of mutual respect and civility. Actions and words that seek to deny human beings full membership in the broader moral community on the basis of arbitrary characteristics are intolerable. We stand opposed to violence in language or in action, and we see these as a threat to the mission of UNF as a public university that is committed to intellectual and cultural growth and civic awareness.

We pledge to stand with and for those who are the most vulnerable members of our community and to take actions that help our students and fellow employees feel safe and know that they are safe. We affirm UNF's unreserved commitment to student success within a diverse, supportive campus culture. We seek to embody the ideals of a free and democratic society, and we fully support and value each member of our community.
Dear Graduates:

It is a tremendous honor for me to share this special day with each of you. As our University of North Florida family, we proudly join together to celebrate this culmination of countless hours of diligence and hard work. I know for all of you and your families, it is a day filled with excitement, anticipation and relief!

Having studied, researched and worked in an environment of innovation and collaboration, you now enter the next chapter in your life with the knowledge you need to succeed, as well as a broadened perspective and enlightened view of the world. This rich foundation will serve you well for the rest of your life.

We trust that you will remember your time here at the University of North Florida fondly, and that you will continue to stay connected to UNF wherever your degree takes you.

All over the globe UNF graduates are making an impact, and now it’s your turn. You are prepared and ready, and the world awaits.

Go forth and soar, Ospreys!

President David M. Szymanski

PRESIDENT'S STAFF

Isabel Pease, Interim Vice President of Public Relations
Pam Chally, Interim Provost and Vice President for Academic Affairs
Jay Coleman, Vice President of Data Analytics
Heather Duncan, Vice President for Governmental Affairs
Ann McCullen, Vice President for University Development and Alumni Engagement, and Executive Director, University of North Florida Foundation, Inc.
Shari Shuman, Vice President for Administration & Finance
Karen Stone, Vice President and General Counsel
Chris Warren, Executive Director, Office of the President & University Relations

*** Please stand throughout the Recessional.

COMMENCEMENT PROTOCOL
This ceremony represents the culmination of many years of work and sacrifice on the part of the graduates and their families. Therefore, please give this occasion the dignity and respect it deserves by remaining in your seats for the entire ceremony, except to use designated photo areas, so that others are not disturbed.
UNF ALUMNI ASSOCIATION
SPRING 2019 SENIOR SERVICE AWARD

Each semester, the UNF Alumni Association selects a graduating senior for outstanding service to the University and the community through volunteerism. Warren Butler is the recipient of the Senior Service Award for the spring 2019 graduating class. He is graduating today from the College of Arts and Sciences with a Bachelor of Arts in political science and minors in history and community leadership.

While excelling at academics and maintaining a GPA of 3.86, Butler also remained dedicated to making a difference at UNF and throughout Jacksonville. He exemplifies UNF's spirit of servant-leadership and civic commitment.

On campus, he served as both a student senator and chair of the Government Oversight Committee in UNF's Student Government. During that time, he had a hand in creating the Senator Mentorship Program, which gives experienced student senators the opportunity to mentor newly elected senators to help them better serve the student community.

Butler also volunteered his time with the On Campus Transition Program, serving as a mentor to two individuals with intellectual and developmental differences, work he described as his most rewarding college experience. Since fall 2017, he helped his mentees through studying, exercising and socializing outside of class. He also assisted the students with school projects, encouraged participation in campus activities and spent time learning about community support services and resources.

Off campus, Butler dedicated his time to making a difference in the Jacksonville community, volunteering with the World Affairs Council of Jacksonville and the Lutheran Social Services of Northeast Florida. At the World Affairs Council, he was able to advance the Council's mission by applying his passion for foreign affairs and educating the next generation, first as a volunteer and later as a board fellow. Butler also won a scholarship to travel to Washington, D.C. and represent Jacksonville at the World Affairs Council of America National Conference.

After graduation, Butler plans to join the U.S. Marine Corps — a testament to his determination to make a difference. He will enter the U.S. Marine Corps Officer Candidates School, where he plans to lead as a ground officer following his graduation.

Warren Butler is a passionate, conscientious and driven leader whose commitment extends well beyond the UNF campus. He is a great representative of the University of North Florida and characterizes what the Senior Service Award represents. We are so proud to call him an Osprey alumnus.

ALBERT D. ERNEST JR. CARING AWARD

The University of North Florida is proud to recognize Kimberly McKarin as the recipient of the Albert D. Earnest Jr. Caring Award, an award honoring a student who displays a spirit of caring, humanitarianism and volunteerism.

Throughout her college career, McKarin has been an inspiring student leader committed to making a difference on UNF's campus and beyond.

As founder and president of Leaders and Activists for the Disabled, McKarin has been a strong advocate for people with disabilities. From educating her peers and creating greater awareness of the Americans with Disabilities Act to championing projects that have led to meaningful change, McKarin's impact on UNF's campus has been significant. While attending UNF, McKarin spearheaded the Braille Initiative to install Braille signs around UNF's campus as well as the Week of Insight, a week of events aimed at raising disability awareness. In addition to public talks, workshops and a fundraiser, students participated in simulations to experience life as a person with disabilities.

McKarin has been a facilitator with the World Affairs Council of Jacksonville, an active mentor with UNF's On Campus Transition program assisting students with intellectual disabilities and, for the past three years, an American Sign Language interpreter at her local church for two services each week.

McKarin was born and raised in Jacksonville, and is a proud alumna of Mandarin High School. Today, she graduates summa cum laude, receiving a Bachelor of Arts in political science with a concentration in public law and minors in American Sign Language/deaf studies and international studies.

McKarin is pursuing a Master of Arts in international development at Gallaudet University and a Juris Doctorate degree at Georgetown University Law Center. She hopes to continue her education pursuing a Master of Arts in international development at Gallaudet University and a Juris Doctorate degree at Georgetown University Law Center. She hopes to further her advocacy for human rights on the international stage with an ultimate goal to serve as counsel in the U.S. State Department or White House.
TRADITIONS OF THE COMMENCEMENT CEREMONY

Academic regalia date back to European universities of the Middle Ages, when gowns and hoods were required for warmth in unheated buildings. Gowns were fur-lined adaptations of the priestly toga, and hoods were worn to protect the tonsured heads of the priests. The regalia now serve as a visible reminder of the historic antecedents of intellectual pursuits.

In American universities of the late 19th century, these medieval costumes were revived to lend color to academic functions. Efforts were made to establish a code that would set standards for academic dress. Gowns of masters and doctors are generally ankle length and closed in front. The master's gown has pointed sleeves that are slit at the elbows. The doctoral gown has wide lapels of velvet, either black or the color of the scholar's specialization. The sleeves are full and bellshaped, with three velvet chevrons, either black or colored like the lapels. Gowns normally are black, although some universities have designed their own in the colors of the institution.

The hood, which drapes over the back of the gown, carries the greatest symbolism of all components of the academic costume. Its length, width and colors denote the wearer's highest academic achievement and institution. The master's hood is pointed; the doctoral hood is bellshaped. The color of the border of the hood indicates the scholar's major field of study; the lining color or colors identifies the institution that conferred the wearer's degree. Hoods were originally trimmed in fur but now have satin borders for masters' and velvet for doctors' hoods.

The customary head covering is the mortarboard, or Oxford cap, with a tassel on the left side. Persons who possess the doctorate wear a tassel of gold metallic threads. The soft, large beret, modeled after the cap of Cambridge University, also has been adopted by some institutions.

The medieval university was much concerned with rank and privilege, and academic robes made visible the social and academic distinctions of the wearers. These distinctions have largely disappeared, and robes now indicate specialization. The following colors are associated with the degrees frequently represented in academic processions:

- Arts, Letters, Humanities ................................................. White
- Business ........................................................................... Light brown
- Computer Science ............................................................... Gold
- Economics ........................................................................... Copper
- Education ........................................................................... Light blue
- Engineering ........................................................................ Orange
- Fine Arts ............................................................................. Deep brown
- Health ................................................................................... Sage
- Law ...................................................................................... Purple
- Library Science ............................................................... Lemon yellow
- Medicine ............................................................................. Kelly green
- Music .................................................................................... Pink
- Nursing ................................................................................ Apricot
- Philosophy ........................................................................... Dark blue
- Public Administration ....................................................... Peacock blue
- Public Health ......................................................................... Salmon
- Science ................................................................................ Golden yellow
- Theology ............................................................................... Scarlet
The University of North Florida (UNF), one of the 12 public institutions in the State of Florida, is a comprehensive urban university that offers degree programs at the bachelor's, master's and doctoral levels. Established in 1965 as an upper division and professional graduate institution, the University began offering classes in 1972. Freshmen and sophomores were added to the student body in 1984. UNF's scenic campus is now nestled among 1,381 acres, which includes a nature preserve and wildlife area with lakes and nature trails.

The University of North Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call (404) 679-4500 for questions about the accreditation of the University of North Florida. Individual contact to the Commission on Colleges about the University of North Florida accreditation status should occur only if there is evidence that appears to support significant noncompliance with a requirement or standard.

Some professional associations offer further accreditation of specific programs in athletic training, building construction management, business administration, civil engineering, computer science, electrical engineering, health administration, information science, information systems, information technology, mechanical engineering, music, anesthesiology nursing, nursing, nutrition, physical therapy, public administration, rehabilitation counseling, and teacher education have been accorded national accreditation.

As UNF grows, it is proud of maintaining a reputation for excellence, which attracts a diverse group of highly qualified students. The fall 2018 incoming freshman class of 960 had a mean SAT score of 1274 and a grade point average of 4.32. Twenty-nine percent were in the top 10 percent of their graduating class. Minority students comprise 33 percent of the student body. There are 376 international students from 77 countries around the world. Fifty-seven and a half percent of UNF students are women; the average student age is 24.

Academic programs are built on a strong foundation in the traditional arts and sciences. The University now has a student body of 16,958 students enrolled in 56 undergraduate degree programs with 76 areas of concentration, 33 master's degree programs with 69 areas of concentration and five doctoral degrees. It has 570 full-time and part-time staff. UNF has six colleges: Brooks College of Health, Coggin College of Business, College of Arts and Sciences, College of Computing, Engineering and Construction, College of Education and Human Services, and Hicks Honors College. The University grants more than 3,922 bachelor's, master's and doctoral degrees each year.

UNF is dedicated to excellence in teaching, research and public service. The University's faculty is committed to providing high-quality instruction, with particular emphasis on undergraduate education. The faculty's publications and other creative activities demonstrate a determination to remain at the cutting edge of intellectual inquiry and practice their respective disciplines. The University — through centers and institutes as well as traditional educational offerings and activities — is a major contributor to the community life of Northeast Florida and, indeed, to the larger community. Six programs have received flagship designation: Transportation and Logistics, International Business, Nursing, Coastal Biology, Music, and Nutrition and Dietetics.

Through the strong support of the University of North Florida Foundation, Inc. and the generosity of both corporate leaders and dedicated citizens of Florida's First Coast region, UNF now has four Eminent Scholar Chairs: the Andrew A. Robinson Chair in Educational Policy and Economic Development, the Ira M. Koger Chair in American Music, the Prime F. Osborn Chair in Transportation and the Paper Plastics Education Research Foundation Endowed Chair for Supply Chain Management. The UNF Foundation, funded by contributions, supports a wide range of UNF's activities on campus and in the community.

1- Fall 2018 Preliminary Data
2- Degrees are for the 2017-2018 Academic Year.

The degree candidates listed in this program include students who applied to graduate during the 2019 Spring Commencement. Because grades are not posted until several days after the ceremony, graduation of the students and designation of honors are not necessarily conclusive. Honor designations are only bestowed upon baccalaureate degree candidates.

Honors (4.0 Grade Point Average Scale) Designated by Solid Gold Cord
1 - Summa Cum Laude (with highest honor 3.8-4.0)
2 - Magna Cum Laude (with great honor 3.65-3.79)
3 - Cum Laude (with honor 3.5-3.64)
*Presidential Envoy
**SWOOP Squad (University Tour Guides)

Jenna DuPilka – Student Government
CONGRATULATIONS ON YOUR COMMENCEMENT!

After years of hard work, countless late nights and anxious moments, you've earned your degree from the University of North Florida. We know you are proud of your accomplishments and we're proud to welcome you as a new member of the UNF Alumni Association! Though you have left campus you join a network of Ospreys worldwide who are leaders and agents of change actively engaged within their communities and making a difference in the world.

The UNF Alumni Association has been serving the University's alumni since it first met as an advisory council in 1976. Of course, a lot of things have changed since then, and we've worked hard to keep pace with your lifestyle and modern trends. We encourage you to follow us on social media and update your personal information through the Alumni Association website at www.unf.edu/alumni. While you're there, be sure to subscribe to Nest Notes, our free electronic newsletter and most important communication tool for keeping you informed of upcoming events, happenings and opportunities available to you as alumni.

The Alumni Association hosts and promotes dozens of events each year including socials, networking opportunities, professional development seminars, family activities and more. There is something for everyone, so join us!

Congratulations again, and we look forward to seeing you at future UNF alumni events!

Stay connected ... and keep on swooping!

UNF ALMA MATER
Music adapted by Dr. William C. Moffit
Words by Dr. Merrill J. Palmer

VERSE:
We recall those days of gladness,
Nestled midst the lakes and pine,
Where we sought the gift of knowledge,
Alma Mater, pride of mine.

REFRAIN:
Sing her glory and her praises,
Let them ring from sea to sea!
North Florida we proudly honor,
U-N-F, all hail to thee.

VERSE:
Near the shores of the Atlantic,
Where the Osprey soars on high,
Stands our Alma Mater strong and true,
With her colors gray and blue.

REPEAT REFRAIN
