**THE SAXOPHONE CLUB** is a nationwide network of young professionals united since the 1992 Presidential campaign in support of President Clinton and the Democratic Party.

By donating their political and financial resources, these supporters - representing the next generation of Democratic leaders - play an integral role in the Democratic National Committee's effort to re-elect President Clinton and Vice President Gore, to restore Democratic majorities to both the

United States Senate and House of Representatives, and to elect Democrats at all levels of government.

The Saxophone Club is composed of approximately 3,000 members nationwide, with thriving chapters in Washington, New York, Los Angeles Philadelphia and Houston. The Saxophone Club promises to expand tremendously during Election Year '96 and factor prominently in the Democratic Party's victorious effort.

**A PORTION OF THE PROCEEDS WILL BENEFIT DEMOCRATIC LEADERSHIP FOR THE 21ST CENTURY**

Founded in 1991, Democratic Leadership for the 21st Century (DL21C) is a grass-roots organization dedicated to activating, empowering and representing the next generation of Democratic candidates, donors and activists. The nation's fastest growing organization of younger Democrats, DL21C is a

progressive and diverse group of younger leaders from across the country who are dedicated to creating long-term solutions to the complex problems facing society.

To join, please call DL21C at 1-800-95-DL21C.

Furthermore, I hereby give permission to Victory '96 to reallocate any contribution which may exceed the federal limits to a non-federal account.
