Darling Girl :-

I am on duty and busy but am snatch-
ing one minute to say Hello! and tell you I am
O.K. and that I love you to death. This will be
the shortest letter you have ever had from
me but it can't be helped. Weather is fine,
Boche is running. I am busy. I love you.
I love you. Kiss the babies and Ted. God
bless you dear. I love you.
