People For the American Way

www.pfaw.org

A national advocacy organization that mobilizes activists to promote the values of freedom, fairness and equality and to defend those values from attack by the political and religious far right.

Voters For Choice

www.voters4choice.org

The nation's largest independent pro-choice political action committee. Voters For Choice supports candidates with training, voter ID and get-out-the-vote services, financial assistance and endorsements.

Working Assets

www.workingforchange.com

A long distance, credit card, Internet services and broadcasting company that supports nonprofit groups working for progressive social change and encourages activism by its customers.
