MOBILIZE THE POWER OF WOMEN VOTERS

Proceeds of this luncheon will support California WOMEN VOTE 2000!, a revolutionary joint fundraising effort by EMILY's List and the California Democratic Party. California WOMEN VOTE 2000! will help to mobilize record numbers of women voters in California, providing the margin of victory for Senator Dianne Feinstein and California's 12 pro-choice Democratic women Representatives. Strong turnout of women voters will give California's electoral votes to Al Gore and make him our next president. It will also help elect congressional candidates whose victories could give Democrats control of the House...and it will help keep the California legislature in Democratic hands.
