

## Guidelines for Guests at President Bush's Visit

- **Tickets are non-transferable.** Your name and ticket number will be matched against the list several times during the entry process, and **you must have a picture ID** with you.
- The screening process for entry to the Gym will begin at 10:30 AM, and **must be completed by 12:00 PM**. Please arrive early to ensure that you are through security in time. The event is scheduled to begin at 1:00 PM, so some waiting will be part of the experience.
- Security screening will be very similar to airport screening, so don't bring anything that might set off metal detectors, or anything that would normally be rejected at the airport, such as nail files, pocket knives, etc. Do not bring backpacks, briefcases, or other unnecessary bags. I recommend that you leave cell phones behind as well. Umbrellas will need to be left outside the building, so bring a cheap one if it's raining.
- Seating will be in the bleachers. You may wish to bring a seating cushion.
- No political messages of any kind will be permitted on clothing, buttons, signs or banners. This is a non-partisan government event, not a political rally.
