LOUIE BELLSON AND HIS BIG BAND

With his double bass drums thumping and his hundred-volt exuberance charging the bandstand, Bellson may be the last big-band leader to remember the days when musicianship went hand in hand with showmanship. He still looks and sounds great and informs his ensembles with invaluable knowledge learned from his old employer, Duke Ellington. (Pace Downtown Theater, Spruce St. between Nassau and Gold Sts. 346-1715, Nov. 15 at 8.)

LOUIE BELLSON BIG BAND

PACE UNIVERSITY DOWNTOWN/NOVEMBER 15
Former Duke Ellington band drummer Louie Bellson performs an evening of music of Ellington, Billy Strayhorn and, of course, Bellson. He's a flag-waver with great taste and style, while his big bands, whether they come from the east or west coasts, are always top-flight. A surprise guest is undoubtedly scheduled to appear as well.
