WOMEN CAN CELEBRATE!

You did your part
to help Democratic women
win in November!

Now don't miss the party
To celebrate women winners!

EMILY's List invites you
to join the Democratic women
of the 103rd Congress.

To celebrate women's historic
victories in the 1992 Election

Victory Luncheon
Tuesday of Inauguration Week

January 19, 1993
11:30 am
The Washington Hilton Hotel
1919 Connecticut Avenue, NW
Washington, D.C.

\$100 per person ...
includes your two-year membership
in EMILY's List

In 1992, EMILY's List became America's most powerful network of political donors. 24,000 EMILY's List members provided \$6.2 million to the campaigns of 55 Democratic women candidates for the House and Senate. EMILY's List is so effective because our members make direct contributions to pro-choice Democratic women candidates. Each EMILY's List member pledges to contribute at least \$100 to two candidates recommended by EMILY's List.

When EMILY's List began its work in 1985, only 12 Democratic women served in the House of Representatives, and not one in the Senate. In four elections, EMILY's List has helped elect 5 pro-choice Democratic women to the Senate and 28 to the House of Representatives, in addition to the Democratic women governors of Oregon and Texas.

These historic advances, however, still leave Democratic women gravely underrepresented in the U.S. Congress, and EMILY's List is already working to win more historic gains in 1994!
