

The Route

The '98 Walk for HOPE will begin at 10:30 am from Friendship Fountain. Walkers will proceed across the west side of the Main Street Bridge. We will exit onto Independent Drive and walk west in front of the Jacksonville Landing continuing on Water Street past the Times Union Center for The Performing Arts. We will turn south onto Broad Street to the Acosta Bridge. After crossing the east side of the Acosta Bridge, we

will exit onto Mary Street, back to Friendship Fountain. The route we have chosen is wheelchair accessible.

How does it work?

Participants collect donations up-front from co-workers, friends and family members. All the monies are turned in at the time of registration for the '98 Walk for HOPE. This way there is no need for pledges and subsequent follow-up. Be creative, organize your friends and co-workers into teams of ten or more. Carry a banner or wear your company T-shirts.

Prizes

1st prize for the individual raising the most donations, is 2 round trip air transportation vouchers valid anywhere in the continuous 48 states, provided by American Airlines. The 1st prize for the team raising the most donations is a cruise on the St. Johns River.

Walk, ride, roll or skate, but please participate!
