

# A CELEBRATION OF CHOICE

And so some of our clinics have closed in spite of our efforts - yet we move onward and we continue the fight for freedom of choice.

Planned Parenthood of Northeast Florida, Inc. is moving to a larger facility and expanding its medical services to include prenatal care, adoption counseling and first trimester abortion.

We invite you to join us for a reception to share our plans and be a part of our future.

**The home of Grady Johnson & Edna Saffy**

**Thursday, June 6, 1996**

**5:00 pm to 7:00 pm**

*Edna Saffy*

*Rebecca Berg*

*Barbara Drake*

**RSVP**
