Since the demonstration was scheduled for the afternoon, that gave us time: time to have our hair done, time to work at the

The afternoon of August 26, 1970 was as a ~~the~~ normal late summer day ^{with just when 10 women ^{met} at Plaza} The start of the women's movement

On that bright summer day of Aug 26 1970 we women were nervous and I must say somewhat fearful. We were about to take a step into a future we had never anticipated. We ^{hoped} were going to make a statement we ~~thought~~ hoped. We didn't know we were going to change the world.
