

television tips

1. don't wear white - it shows
2. use brown or eye brows, black appears harsh
3. use your regular make up; however use more
4. use rouge
5. lipstick as good - liquid makes
6. use a type of layered look for TV is one dimensional
7. try not to wear glasses
8. use teleprompter if you need it
9. check yourself on camera first and if you need more make up add it
10. use Maybelline mascara for under eyes

the appearance

1. don't be on the defensive
2. not "if" I get elected but when
