# Betty Ford Honorary Co-Chairs Rosalynn Carter

We invite you to join us  
for a party with a serious purpose—  
ratification of the Equal Rights Amendment.

Proceeds will benefit ERAmerica,  
the national alliance that unites 130 organizations  
working to write women into the U.S. Constitution.

This expression of support during the  
National Women's Conference  
will give coast-to-coast attention  
of International Women's Year  
to the injustice of excluding women's rights  
from our nation's basic law.

Your support for this event  
will pay for all-out lobbying campaigns  
in the states that are a few votes short  
of ratifying the Amendment.  
Our strategy is to aim the full force of our campaign  
at key opponents who are most vulnerable  
to pressure from pro-ERA majorities  
in their districts.
