The Honorable Lawton Chiles, Governor
The State of Florida
The Capitol
Tallahassee, Florida 32399-0001

Dear Sir:

I would like to recommend for judicial appointment Lance Day, Esquire. I have known Lance for a number of years and find him to be of the highest moral and ethical character.

Lance Day distinguished himself as an attorney, and will distinguish himself as a judge, bringing honor to the community and to the state. Not only has he been an advocate for children's rights, but also for victim's rights. He continually has voiced strong concerns about protecting our citizens from crime.

Lance is involved with our community and has spoken to our young people in the school system.. I find him to be a concerned and dedicated individual.

I would appreciate your giving him your consideration for this appointment.

Respectfully yours,
