5 for Florida's Future:

1.

A World Class Public Education System of which we can be proud

- ✓ Return vocational technical education to high schools
- ✓ Computerize the FCAT to evaluate each student rather than just each school
- ✓ Increase teacher salaries and objectively reward outstanding performance
- ✓ Have Universities offer Bachelor's Degree Programs on community college campuses and on the internet

2.

Quality Health Care for all Floridians

- ✓ Enact a robust Patient's Bill of Rights
- ✓ Quality care in nursing homes
- ✓ Expand Florida Healthy Kids coverage
- ✓ Increase HIV/AIDS dollars in communities with the most need
- ✓ Expand Farm Share initiatives so that no child goes to bed hungry

3.

Diversify Florida's Economic Base

- ✓ Make Florida the Hemispheric Distribution Center for International Trade

Senator Daryl Jones with his wife, Myoushi.

4.

Make Florida a safer place to live

- ✓ Have guard and reserve units train local authorities to combat bio-terrorism
- ✓ Enhance juvenile boot camps and crime prevention initiatives that work
- ✓ Help those who serve their time become productive citizens

5.

Protect and Enhance Florida's pristine environment

- ✓ Restore our Coral Reef and Everglades
- ✓ Safeguard the Florida Keys
- ✓ Continue funding of preservation and restoration projects
- ✓ Maintain a sustainable quality water supply
