**NATIONAL JEWISH DEMOCRATIC COUNCIL'S
 FLORIDA
 STRATEGY SESSION**
 Thursday, August 29th, 9:30 a.m.-10:30 a.m.
 Palmer House Hotel, 17 East Monroe St., Clark 10-7th Floor

Dear Jewish Democrat,

On behalf of the National Jewish Democratic Council, we would like to invite you to take part in NJDC's Florida Strategy Session on Thursday. We hope you will join us as we gather a group of key Florida activists and elected officials on Thursday, August 29 from 9:30 a.m.-10:30 a.m. at the Palmer House Hotel, 17 East Monroe Street, in Clark 10-7th Floor.

The National Jewish Democratic Council was formed in 1990 and has already made a significant impact in strengthening the relationship between the American Jewish community and the Democratic Party. NJDC members encourage support for Israel, protection of reproductive freedom and work to combat the radical right's assault on the separation of church and state.

In early 1996, NJDC launched a new plan targeting eight states where NJDC members could make a difference at the grassroots level in promoting the discussion of these issues. Florida is one of our targeted states.

As key leaders of the Florida Democratic Party, we would like you to review NJDC's political plan for 1996. This important strategy session with top Florida Democratic leaders and NJDC activists will give us the opportunity to discuss how NJDC members can take part in promoting issues in key races in Florida.

We know you will be busy during the Democratic National Convention, but we hope you will take the time to participate in this important strategy session.. If you have any questions, please call NJDC's Convention office at the Talbot Hotel at 312.944.4970. We look forward to seeing you on Thursday!

Sincerely,

Monte Friedkin
 National Chairman
