Re: Arrival Time at Democratic National Convention
New York City

This memo is to (1) Advise you of my arrival time in NYC, (2) Request that I be met at LaGuardia airport--if at all possible, and (3) Request of both Terrie and Andy that I be included in Sunday's activities.

I would appreciate very much being met at LaGuardia Airport when I arrive in New York for the National Convention. I will be arriving from DALLAS, TEXAS.

Saturday, July 11, 1992
Delta Flight #935
Leaving Dallas at 1:05PM
Arriving NYC (LaGuardia) at 5:35PM

Terrie mentioned at the Duval Delegate Meeting about having breakfast at the Windows on the World on Sunday, July 12. I would very much like to be included in that activity and in any other activities scheduled for Sunday.

Thank you.

Sincerely yours,

FAX
